We offer for sale an attractive building plot of 994 m², located in a construction zone, only 2 km from the center of Josipdol. The land is flat and of regular shape, ideal for building a weekend house or a family house.

Location and access

The land is located in a quiet environment, not far from a stream, providing a natural ambience and a relaxing atmosphere. Although it is close to all essential amenities (shops, schools, roads), due to its location away from the main roads it offers complete privacy and silence.

Infrastructure

Electricity and water are available in the immediate vicinity of the plot

A telephone connection is already located on the site

This property is a real opportunity for those seeking peace and nature, while at the same time remaining connected to urban amenities.
