Pješčana Uvala, house 200 meters from the beach

Pješčana Uvala was named after the beautiful sandy bay.

It is surrounded by dense treetops that will provide you with shade throughout the day.

A promenade stretches along the coast with numerous catering facilities and various tourist amenities.

This house is located just 200 meters from the beach and the sea.

With a total area of 100 square meters, it consists of two studio apartments on the ground floor and a one-bedroom apartment on the first floor.

The apartments are furnished and are being sold as such.

The house is ideal for tourist rental, where the owners already have a well-established business.
