We present to you a new residential project in Umag - a modernly designed complex located just 200 meters from the sea and in close proximity to the city center. This new construction offers 95 apartments spread over four floors, ranging from one-bedroom to three-bedroom units, ideal for family living, vacation, or investment.

The building is being constructed using high-quality materials that guarantee durability, comfort, and high energy efficiency (energy class A+). All apartments feature private terraces with sea or inland views, and the design and layout of the spaces have been carefully planned to provide maximum functionality.

In addition to its attractive location, the project offers a range of modern technical solutions:

- Underfloor heating via a heat pump
- Cooling through fan-coils
- Aluminum joinery with triple-glazed windows (excellent thermal and sound insulation)
- High-quality sound and thermal insulation
- Wi-Fi throughout the building

Buyers have the option to purchase:

- An outdoor parking space - €20,000
- A garage parking space - €30,000

Apartment S3, with a total area of 55.80 m², is located on the ground floor of the building and consists of:

- A spacious bedroom
- An elegant bathroom
- A bright living room with an open-concept kitchen and dining area
