We offer two beautiful villas in the small and quiet town .The villas are of the same design and have a living area of

155 m2 and 160 m2 and a fenced garden of 497 m2 with a swimming pool and two parking spaces. The ground floor of the villa consists of a living room and 3 bedrooms with their own bathroom, toilet, kitchen and living room with access to a large covered terrace where there is a summer kitchen and an extension of the pool. Internal stairs lead to the first floor, which consists of 3 more bedrooms, each room has its own bathroom and 1 toilet, but there is also a bathroom on the covered terrace (which can be closed if the buyer wants to get another bedroom). The heating of the villa is on the floor.

One villa with a pool is intended exclusively for RENT for a period of 1-3 years. Seasonal rental is also possible.

After the expiration of three years, the villa is sold, and the long-term tenant can pre-register for the purchase.
