Are you looking for your own small green oasis tucked inside the forest, with easy access? Then this property is perfect for you.

It is located in the heart of the woods, with a maintained gravel road that is regularly cleared even in winter, ensuring year-round access. The distance from the main asphalt road is about 500 m.

The plot is a mix of forest and meadow, with a total area of 2,216 m². On the land there is an elevated 3x3 m shelter, which can be closed off if desired. Next to it, on the arranged part of the property, stands a barbecue, making this the ideal spot for peaceful, zen-like moments in nature. Just 70 m away, a small stream adds to the charm. The property also includes a prepared parking area.

Close to everything, yet far enough to relax and reconnect with nature.
