A spacious plot of land with a total area of

86,153 m² is for sale, located in a peaceful setting not far from Plaški. The property consists of several cadastral plots, of which 1,199 m² is building land on which there is a ruined house and outbuildings. Next to the building itself there is 19,287 m² of land in one piece, while the remaining part of the plot is located nearby.

The land is currently partially overgrown, but with basic clearing, a wide range of possibilities opens up - ideal for romantic Robinson cottages, a ranch, an agro-project or a private retreat in nature.

The peace and quiet of this area offers the perfect escape from the busy life. There is a stream nearby, and all key amenities such as shops, schools, cinemas and clinics are only 4.2 km away.

This is an ideal opportunity for someone with a vision - whether you are looking for a peaceful life in nature or have a plan for an investment.
