Price : 80.000 €

For sale is a detached house located in the municipality of Sveta Nedelja, situated on a building plot of 1,517 m².

The old structure, made of concrete and brick, has a footprint of 67 m² and consists of four rooms and a bathroom. The house has a septic tank and requires renovation.

The plot is equipped with electricity and water connections, making it easy to renovate or build anew.

Due to the size of the land and its building purpose, the property represents an excellent opportunity for renovating the existing house or constructing a new family home in a peaceful environment.
