In a quiet and pleasant part of Delnice, a spacious and highly functional apartment in a house is for sale, with a total living area of 140 m² and an associated landscaped garden of 200 m². This property offers a rare combination of apartment comfort and house privacy, making it ideal for family living as well as a secure long-term investment.

The apartment consists of four bedrooms – one master bedroom, two smaller bedrooms, and an additional smaller room located next to the master bedroom, which can be converted into an extra bathroom or a walk-in wardrobe if desired. The entrance leads into a spacious hallway, opening into the central part of the apartment – a bright open-plan living area that combines a large living room, dining area, and a modern kitchen with a kitchen island. The space is comfortable, airy, and designed for everyday living and social gatherings.

From the kitchen, there is access to a smaller terrace and further into a beautifully landscaped 200 m² garden, planted with roses and fruit trees, fully enclosed by a wrought-iron fence that ensures privacy and a neat, elegant appearance. The garden is ideal for outdoor living, relaxation, children's play, or socializing with family and friends.

The apartment also includes an office space and a carport for two vehicles. Beneath the apartment, there is a large basement and a boiler room with a pellet stove, while heating is provided via central pellet heating, ensuring comfortable and economical
