Pula, one of the most desirable cities in Istria, offers a combination of Mediterranean lifestyle, developed infrastructure and proximity to the sea.

Valdebek is a quiet and sought-after residential area that is continuously developing and is an increasingly common choice for family life and long-term investment.

An apartment for sale in a quality new building, building A, located on the ground floor. The building is fully constructed, and the issuance of the occupancy permit is expected soon.

The apartment is equipped with modern and energy-efficient heating and cooling systems:

High-quality Daikin heating and cooling system, with low-profile indoor units placed along the floor (radiator type), which allow for comfortable and even heat distribution.

Underfloor heating in the living room, hallway and bathroom.
