We are selling a luxury villa with an unobstructed view of the entire Piran Bay, salt pans, and the sea all the way to Italy. It is designed as a master villa combined with a guest house featuring a wine cellar, a large outdoor infinity pool, and spa rooms for pampering.

The villa is made entirely of stone, wood, and glass. Only top-quality materials were used in its construction.

It is located on the top of a hill just 5 minutes from the center of Portorož and is suitable for those who want peace yet remain close to the center.

For all who love prestige!
