Building land for sale in Stara Sušica, with a total area of 767 m².

The plot is located along an asphalt road, with all necessary infrastructure nearby, allowing easy preparation for construction.

It is situated at 750 meters above sea level, in a part of the settlement where forest, peace and fresh mountain air prevail. The area is surrounded by the forests of Gorski Kotar, known for its nature, walking trails and outdoor activities throughout the year.

The location is suitable for building a holiday home or weekend house, ideal for those who want their own place in the mountains – close enough to the settlement, yet surrounded by nature.

If you are looking for land in Gorski Kotar where you can slow down and recharge during weekends, this is a location worth considering.
