For sale is a modern two-bedroom apartment in a new building in Tara, located in an attractive area with a sea view.

The apartment is situated in a residential-commercial building that is part of a high-quality urban project combining contemporary design and luxury. The building has four floors (ground floor and three upper floors).

The apartment is located on the first floor and has a living area of 70 m². It consists of an entrance hall, a living room, a kitchen with a dining area, two bedrooms, a bathroom, a separate toilet, and a terrace with a sea view.

The price includes two parking spaces.

A special advantage of this property is its excellent location – the sea and beaches are approximately 1 km away, allowing for quick and easy access to the coast.

The building will be equipped with a heat pump, underfloor heating in all rooms, and a complete air conditioning and cooling system, ensuring maximum comfort throughout the year. A silent elevator, PVC windows with triple glazing, electric blinds with mosquito nets, a video intercom, and high-security entrance doors will also be installed.

Buyers will have the option to choose high-quality first-class ceramics, while the common areas of the building will be finished with high-quality stone and ceramics.
