Labin, building land in a sought-after location

A building plot of 1506 square meters is for sale.

The land is completely for construction, the access road is from an asphalted road.

All the infrastructure is close to the field, there are family houses and holiday homes in the surrounding area.

A quiet area, close to all necessary facilities for life.

Considering the size of the land, it is possible to build several houses with a swimming pool.
