New on the market!
In the beautiful town of Fažana, we offer modern apartments in a newly built complex with a swimming pool, part of an attractive project consisting of four buildings with a total of 23 apartments of various sizes and layouts. The project is located in an excellent location – a peaceful environment near the sea and all essential amenities.

Apartment C5, with an area of 87.88 m2, is located on the 2nd floor of building C, which has 3 floors.
The apartment consists of an entrance hallway, a wardrobe, a living room with a kitchen and dining area, 3 bedrooms, 2 bathrooms, a storage room of 4.08 m2, and a terrace.

Equipment and standards:
- Underfloor heating in the bathrooms.
- High-quality ceramic tiles.
- PVC windows of French type with shutters and insect screens.
- Bathroom fixtures from renowned manufacturers.
- Air conditioning unit.
- Anti-burglary entrance door.
- Option to choose the final flooring – ceramic tiles, parquet, or laminate in the bedrooms.

2 parking spaces included in the price.
Each building will have its own secured vehicle access via a remote-controlled gate, and the rear part of the building, including the parking lot, will be covered by 24/7 video surveillance, ensuring maximum privacy for entry and exit and

security for vehicles in the parking area.

The swimming pool measures 5.70m x 14.90m, or 85m2, making it the largest pool in the residential complex in the area. A sunbathing area with loungers and lounge furniture will be provided along the entire length of the pool. Additionally, a "house" near the pool is planned, which will be of a modular type, equipped with a summer kitchen, grill, and a large dining table for communal gatherings. The pool, as well as all equipment and amenities, will be exclusively for the residents' use.

The planned start of construction is March 2026, with completion expected in September 2027.

This property is ideal for year-round living, vacationing, or as an investment for tourist rental.
