Access to the residential complex is provided from an asphalted surface, which will include all necessary infrastructure (electricity, water, sewage).

The apartment labeled 11D is located on the second floor of the building and consists of: a hallway, a living room with a kitchen and dining area, 2 bedrooms, a bathroom, and a terrace.

What makes this project special is the architectural design of the façades of the residential buildings and the green roofs that appear on the façade.
