Near the old town of Pazin, we are selling a renovated stone house with a beautiful courtyard.

The upper floor consists of an entrance hall, kitchen, toilet, living room and dining room, while above the living room are two bedrooms with shared bathroom and attic.

The house was built in the 1980s and renovated in 2022. The space is heated and cooled by air conditioning.

Nearby are all the facilities necessary for life (shops, cafes, schools, kindergartens, parks, doctor).

The location is ideal for living, but also for tourism.
