For sale is a flat building plot of 600 m² in a quiet and pleasant environment in the village of Lovreć. The parcel has excellent access – it is located along an asphalt road, which allows for easy arrival and facilitates future construction.

The land is of regular shape and completely flat, making it ideal for building a family home, a vacation house, or an investment property. All necessary infrastructure (electricity, water, and other connections) is in close proximity, which further simplifies the realization of the project.

The location offers a perfect balance between privacy and accessibility – surrounded by greenery and nature, yet close enough to all essential amenities for everyday life.
