New on the market!

We offer modern apartments in a new building with a shared pool, located within an attractive project consisting of four buildings with a total of 23 apartments of various sizes and layouts. The project is situated in an excellent location – a peaceful environment near the sea and all essential amenities.

Apartment B4 is located on the first floor of a three-story building. The apartment consists of a hallway with a wardrobe, a living room with a kitchen and dining area, 2 bedrooms (one with a wardrobe), 2 bathrooms, and a covered terrace.

Equipment and standards:

- Underfloor heating in the bathrooms.
- High-quality ceramic tiles.
- French-style PVC windows with shutters and mosquito nets.
- Bathroom fixtures from renowned manufacturers.
- Air conditioning.
- Anti-burglary entrance door.
- Option to choose the final flooring – ceramic tiles, parquet, or laminate in the bedrooms.

2 parking spaces are included in the price.

Each building will have its own secured vehicle access via a remote-controlled gate. The rear part of the building, including the parking area, will be monitored by video surveillance 24/7, ensuring maximum privacy regarding entry and exit, as well as

the security of vehicles in the parking lot.

The pool measures 5.70m x 14.90m, totaling 85m², making it the largest pool in the residential complex in the area. Along the entire length of the pool, there will be a sunbathing area with loungers and lounge furniture. Additionally, a "cabin" by the pool is planned, which will be of a modular type, equipped with a summer kitchen, barbecue, and a large dining table for communal gatherings. The pool, as well as all equipment and amenities, will be exclusively for residents.

The planned start of construction is March 2026, with completion expected in September 2027.

We are accepting reservations.
