We are selling a renovated apartment in the center of Pula!

The apartment is located on the second floor of the Austro-Hungarian building and was completely renovated in 2024.
During the renovation, the apartment was divided into two separate parts, each consisting of a kitchen with a dining room, a bathroom and a bedroom.
Between these two separate parts, another bedroom can be accessed from both units and used with either one.
The apartment has a storage room in the attic and two smaller storage rooms on the mezzanine floor with two water heaters and a washing machine.
