Poreč - New Construction with Garden

A modern ground-floor apartment is for sale in a small residential building with a total of five apartments, located in a quiet area near Poreč. Just a few minutes' drive from the city center, this apartment offers the perfect blend of privacy and accessibility to all essential amenities.

The total living area is 77 m², along with an additional 40 m² of private garden that provides a perfect space for relaxation and outdoor living.

The apartment consists of an entrance hallway, two bedrooms, a bathroom, and a spacious living room with an open-concept kitchen and dining area. From the living area, there is access to a covered terrace and garden, adding extra value and a sense of spaciousness to the space.

Underfloor heating is installed throughout the apartment, and for added comfort, air conditioning units have been incorporated, ensuring a pleasant stay year-round.

The apartment comes with two parking spaces in front of the building and a storage room of 5 m², further enhancing the property's functionality.

All necessary amenities for daily life are located in the immediate vicinity, including a school, kindergarten, shops, restaurants, cafes, and healthcare facilities.
