New Residential Project in an Exclusive Location – Pula

This new residential project is situated in an excellent and attractive location in Pula, ideal for a pleasant and quality lifestyle. The location offers a wealth of sports and recreational facilities, proximity to the market, well-maintained parks, as well as all the natural benefits – beautiful beaches, the sea, and the most popular city promenade, Lungomare.

Available is an apartment located on the ground floor of the building, with a total area of 80.14 m².

The apartment consists of an entrance hallway, a living room with a kitchen and dining area, two bedrooms, a bathroom, and a loggia. The internal living area measures 61.23 m². The apartment also includes a garden with an area of 12.63 m² (126.28 m² total).

The floors in the rooms will be covered with parquet, while the other areas will have ceramic tiles. The building is equipped with an elevator and an underground garage.

Note: The garage parking space is not included in the price and is charged additionally. There is also an option to purchase a storage room.
