Building Plot for Sale
A 1000 m² building plot is available in Mukalba.
The land is in an excellent location, facing south, ensuring plenty of sunlight during the day. The distance from the sea is only 300 m, offering sea views (especially from the first floor) and views of the bell towers of the Medulin church.
Electricity is available next to the plot, and water is ready at the boundary; only a water meter should be installed.
