In the very heart of Fažana, the old core, we offer a renovated Istrian stone house. It consists of an entrance area where there is a pantry, stairs leading to the first floor where there is a spacious bathroom, a living room with a terrace, a bedroom, wooden stairs leading to the second floor where there is a spacious kitchen with dining room and living room, a smaller separate toilet which currently serves as a storage room, and in the attic a large bedroom with a bathroom.
On the other side of the house there is another studio apartment with a bathroom on the ground floor of the building.
