We are selling a house with five apartments in an excellent location!

The house spans three levels: basement, high ground floor, and first floor.

In the basement, there is a large apartment of approximately 150 m², which consists of two bedrooms, a kitchen, a bathroom, a living room, and a dining area.

Also on this level, there is a commercial space and a garage.

On the high ground floor, there are two apartments, each with two bedrooms, a bathroom, a toilet, a kitchen with a dining area, and a living room with access to a terrace.

The first floor has the same floor plan as the high ground floor, with the difference being that the terrace on the first floor offers a sea view.

The house has central heating powered by heating oil, is air-conditioned, and features PVC windows with mosquito nets. The large yard includes a swimming pool, a barbecue area, and parking for four vehicles.

Exceptional location, quiet, and close to the sea.
