Building 1 | Apartment 4 – TAR RESIDENCES

Located within the first building of the Tar Residences project, this modern and functionally designed two-bedroom apartment is ideal for comfortable family living, holiday use, or as a secure long-term investment.

The apartment offers 68,40 m² of net living space, with an optimally organized layout ensuring a high level of comfort, efficient use of space, and plenty of natural light. The concept is tailored to contemporary living, with a clear separation between living and sleeping areas.

The apartment includes two parking spaces, representing a significant added value for both everyday convenience and long-term property value. Construction quality and fittings meet the project's high standards: reinforced concrete structure, PVC exterior joinery with electric shutters, multi-split air conditioning system, premium ceramic tiles and parquet flooring throughout, as well as electric underfloor heating in the bathroom.

The total saleable area amounts to 83,70 m².

This property is an excellent choice for buyers seeking high-quality new construction, a quiet location, and long-term value close to the sea and all amenities of western Istria.
