The spacious balcony offers a panoramic view of the sea and the Kvarner islands, adding further value to this unique property.

Project features:

16 apartments of various sizes and layouts

Modern architecture and high-quality construction

Quiet and safe location near all amenities (schools, kindergartens, shops, public transport)

Well-maintained and organized neighbourhood

The apartments are designed with emphasis on comfort, privacy, and long-term value, using top-quality materials and finishes. The entire apartment features underfloor gas heating, and air conditioning units are installed in all rooms and the living room. Sanitary ware and ceramics are sourced from renowned manufacturers, while floor plans have been carefully designed for maximum functionality.

Estimated move-in date: Autumn 2026.
