Quiet and safe location near all amenities (schools, kindergartens, shops, public transport)

Well-maintained and organized neighbourhood

The apartments are designed with an emphasis on comfort, privacy, and long-term value, using top-quality materials and finishes. The entire apartment features underfloor gas heating, and air conditioning is provided in all rooms and the living room. Sanitary ware and ceramics are carefully selected from renowned manufacturers, and the layout has been thoughtfully planned for maximum functionality.

Estimated move-in date: autumn 2026.
