Price : 55.000 €

We offer agricultural land in several locations in the Severin na Kupi area.

The land is located in several cadastral plots of different sizes - from smaller to larger plots. The plots can be purchased individually, depending on the needs and interests of the buyer, or all together in a set.

Price for the set of land: €55,000

For buyers who are not interested in the entire set, there is the possibility of purchasing individual cadastral plots, with an agreement on the price depending on the size and location.

For more information about the sizes, cadastral plots, locations and terms of sale, please feel free to contact us.
