Blaževci – Agricultural Land of 717 m² Directly on the Kupa River

Agricultural land of 717 m² is for sale, located directly on the Kupa River in the village of Blaževci, surrounded by the beautiful natural landscape of Gorski Kotar.

The land has secured road access, while its position immediately next to the river makes it an attractive choice for anyone looking for their own piece of nature for relaxation, recreation and spending free time away from the bustle of the city.

The immediate proximity of the Kupa River offers opportunities for swimming, fishing and other river-related activities, while the peaceful surroundings, greenery and almost untouched nature create a true mountain atmosphere for weekend escapes and outdoor activities.

The property is located very close to the border with the Republic of Slovenia, while the wider Kupa River area is known for rafting, active holidays, excursions and local restaurants.

A property for those who do not need city noise and concrete, but rather their own green retreat with the Kupa River right at their doorstep.
