Labin area - combination of building and agricultural land

An attractive plot of land near Labin is for sale, comprising 2,700 square meters of building land and 3,472 square meters of agricultural land.

The building portion offers the opportunity to construct a residential or other suitable building, while the remaining area serves as an excellent addition for future owners wishing to establish their own olive grove, orchard, vegetable garden, or other agricultural feature.

The land is situated in a peaceful setting near Labin, in the attractive region of Istria.

All utility infrastructure is located nearby.
