Gorski Kotar, Fužine – Surroundings, Building Land of 824 m²

Building land with a total area of 824 m² is for sale in the surroundings of Fužine, situated in a beautiful and peaceful location surrounded by nature and greenery.

The land is located on a gentle elevation, giving the plot an open position with attractive views of the surrounding landscape and the hills of Gorski Kotar. The plot is mostly covered with grass, has a gentle slope and provides sufficient space for the construction of a house with its own garden.

The position of the plot offers a pleasant sense of openness towards the surrounding landscape, while the greenery and forest along its edges further enhance the natural setting.

With an area of 824 m², the property provides enough space for the construction of a family home or holiday house, as well as a terrace, garden and other outdoor amenities, depending on the future owner's needs and applicable building conditions.

Fužine and all necessary amenities are nearby, while the location itself offers a pleasant combination of easy access to the town and a natural environment.

Thanks to its size, gentle slope and open views, the land is suitable for building a permanent home or holiday house, as well as an investment property intended for tourist rental.
