For sale is construction land with an area of 873 m², located in Kavran.

A project has been developed for the land and a building permit has been obtained, allowing the future owner a simpler and faster start to the planned construction.

The plot has connections for electricity and water, and access to the land is provided by an asphalt road.

Thanks to the available infrastructure and organized access, this land represents an excellent opportunity for buyers who want to build without long waiting times for necessary permits and connections.
