For sale is a land with a total area of 791 m², located in the place Rajki, in a quiet location surrounded by greenery. The plot has access from two sides, providing additional convenience and usage options.

Of the total area, 500 m² is within the construction area, while the remaining 291 m² constitutes agricultural land. On one side of the plot, there is an asphalt road, along which connections to the city water supply and electricity are available.

The land features a variety of mature trees that give the space a special natural ambiance and ensure a pleasant shade during the warmer months.

Thanks to the peaceful surroundings, access from two sides, and the combination of construction and agricultural parts, this property represents an interesting opportunity for building a house.
