Svetvinčenat, Pajkovići

This attractive building plot of 716.50m² is located in a small picturesque village of Pajkovići near the medieval town of Savicenta (5 min). Surrounded by greenery and autochthonous houses, it offers numerous opportunities for nature lovers, sports and recreation and provides great tourist potential with the vicinity of beautiful Istrian towns with all the amenities they offer. A geodetic base was made. It is possible to build two buildings with two swimming pools. Electricity, water, telephone and optics are located in front of the plot. The access road leads to the plot. On the plot are marked two buildings of 13m² and 40m². With this building plot, there is an option to buy a restored beautiful antique nearby.
