Marčana, surroundings, house in the center of town

This house is for sale in the vicinity of Marčana, in the very center of the town.

The house needs adaptation.

It was built as a two-story house, with an attic.

Behind the house there is a yard with a garage and auxiliary buildings, and an Istrian barn.

With the necessary adaptation, the house has great potential, given that it is only a few minutes from the sea.

All necessary facilities for life are within walking distance.
