Labin, a house with three residential units in the old town

The old town of Labin is located on the east coast of Istria, on a hill 320 meters above the sea, more precisely on top of a hill with a beautiful view of the Kvarner Bay.

The house can be reached through the alley of the old town, where there are traditional pastel-colored houses.

It is a medieval town surrounded by well-preserved walls, with beautiful baroque palaces, cultural sights and a rich past.

The house has four floors with three residential units, total area of

180 square meters.

On the ground floor there is an apartment, which consists of an entrance hall, kitchen with dining room, living room, bedroom and bathroom.

There is a studio apartment on the first floor, and internal stairs lead to the third floor, where there is a third 2-story apartment.

It consists of an entrance hall, a kitchen with a dining room and a living room, a bathroom, two bedrooms and a bathroom on the second floor.

Each unit has air conditioning, and the first phase of central heating has been installed.

If you are a fan of older Istrian buildings and the beautiful old town of Labin, this property is made for you.
