Building plot on the south side of Vir – only 150 m to the sea | 739 sqm

This plot is located on the popular south side of the island of Vir, just approx. 150 meters from the sea and the beach. The area offers a quiet, sunny residential environment, ideal for a private home or a holiday property.

With a size of approx. 739 sqm, the land provides sufficient space for building a family house, a holiday villa or serves as a long-term investment.

The property lies within the official building zone (construction area) of the municipality of Vir. It is currently part of an undeveloped development area, for which an urban development plan (UPU) is planned in the future. This ensures a clear building perspective and strong long-term value potential.

Building land with future construction potential – a solid investment close to the sea.
