Barban, new building, two-room apartment on the ground floor

In the center of Barban, a small historical town, there is this apartment on the ground floor of a residential building.

The building has a total of five apartments.

The apartment with a total area of

66.55 square meters consists of a kitchen, living room, dining room, two bedrooms, bathroom, laundry room, terrace and loggia.

The apartments are sold on a turnkey basis, completed and unfurnished.

Sanitary facilities, laminate flooring in bedrooms, ceramics in other rooms, and air conditioning will be installed.

The planned completion of construction is July 2025.

The location is excellent because you are in the center of town, within walking distance of all the necessary amenities for everyday life.
