Svetvinčenat, a traditional Istrian house in the heart of Istria

The medieval town of Svetvinčenat, located in the south of central Istria, is one of the Istrian gems where the tourist offer has been revived in recent years, especially through various events that take place in the extremely attractive historical areas of this town.

This beautiful traditional holiday house with a swimming pool is located in this town, in the heart of Istria.

The house consists of four bedrooms and four bathrooms on the first floor, a spacious living room, kitchen, dining room, technical room and toilet on the ground floor.

The interior of the house consists of traditional details such as rustic floors and wooden beams.

In the center of the courtyard there is a swimming pool, and next to the pool there is a pool house with a bed and a bathroom.

The courtyard is impeccably decorated, full of Mediterranean plants.

This house is an oasis of peace and relaxation, offering privacy and comfort.

The property is definitely for all those looking for a combination of luxury and Istrian tradition in beautiful Istria.
