A house for sale, Zambratija, on a total plot area of

655 m².

The town of Zambratija is located on the western side of the Istrian peninsula, between Umag and Savudrija.

On the plot there is a built house with two floors, three apartments.

The ground floor includes two apartments with a total area of

100 m² (60 + 40 m²) and one apartment with an area of

100 m² on the first floor.

Next to the house there is a garage with an area of

60 m², enough to house a car or a boat. From the terrace of the upper apartment and the flat roof of the garage, there is a view of the sea. The house has a spacious garden where it is possible to build a swimming pool. The house is connected to the overall communal infrastructure - electricity, water supply and sewage.

The property is of pure ownership and has all the necessary documentation.

The plot has a project with a built object and is a great opportunity for investment.

The facility is about 200 m from the coast with sandy, stone and
