We are selling an apartment on the second floor of a building in a quiet location.

The building has only three apartments.

The apartment consists of two bedrooms, each with its own bathroom, and one room has an exit to the terrace, kitchen, dining room, toilet, and living room with access to another terrace.

The entire apartment has underfloor heating and each room has its own air conditioner.

There are also two parking spaces in the garden.

The planned completion is by the end of 2023.
