We are selling a modernly designed villa with a pool, located in a quiet neighborhood near Svetvinčenat, a medieval town in Istria.

The villa has a total living area of 220 m² and is situated on a plot of 560 m². The interior of the house covers 180 m² and consists of two levels. The ground floor features an entrance hall, a kitchen with a dining area, a separate living room, a guest toilet, a laundry room, a storage room, and access to a spacious terrace (40 m²).

On the first floor, there are four bedrooms, each with its own bathroom, two of which have access to a large terrace overlooking untouched nature.

The property includes a pool with an area of 35 m², and there is also parking space for cars.

The villa is built from high-quality materials and equipped with modern heating and cooling systems.

It features a Vaillant heat pump for underfloor heating, as well as modern air conditioning units and electric blinds, ensuring a high level of comfort throughout the year.
