RABAC  
thanks to the beautiful coast, diverse tourist offer and rich cultural heritage of the nearby town of Labin, an unavoidable jewel of Istria.

This ATTRACTIVE building land is a few minutes away from the sea and all the amenities that Rabac as such offers.

The owners have created a new conceptual project. The land is of regular shape, electricity and water on the site, utilities paid.

It is located in a quiet location, yet close to all amenities and the sea and as such is an ideal investment in tourism or for family life.
