New residential project in an exclusive location, Pula,

The Siplac project is located in one of the best locations in Pula. This location is perfect for living because of the sports and recreational facilities in the area, the proximity of the Veruda market, landscaped parks, and all the natural benefits, attractive beaches, the sea, and the most popular promenade in the city of Lungomare.

Apartment S1, located on the ground floor of the building, has a surface area of 109.02 m2.

The apartment will have a hall, living room with kitchen and dining room, hall, 3 bedrooms, and 2 bathrooms.

The floors in the rooms will be parquet, and the other rooms will have ceramic tiles. The building has an elevator and an underground garage.

* Note: the apartment includes 2 garage parking spaces with an additional charge, each for 20,000 euros.
